News this week

Welcome back! I hope you all had a very relaxing holiday break!

It’s our final term of 2014, how quickly did that go? So much has been achieved in these last 3 terms and yet there is so much left to accomplish. Term 4 will be as action packed as the others and it has started with a bang.

Week one has seen our first formal practice days for our Kindergarten students who will begin in 2015. The excitement on their faces is absolutely priceless. I know Mrs Parkinson is keen to begin the new year and informal visits have provided us with a great deal of information to hit the new year running!

We wish Louise and Mitchell all the very best as they begin their written exams, with the HSC officially beginning on October 13. Good luck!

Term 4 also sees our new Year 12 students begin their final year of school. I’m sure Kayla, Bridie and Chloe are excited to get it underway! The HSC does involve a great deal of application, so a balance of study, exercise, relaxation, healthy food and sleep are all crucial to success!

That’s about all from me this week. If at any time you would like to see me with any questions, comments or concerns, don’t hesitate to come on in or give me a call.

See you soon!
Milo-have-a-go Cricket

Milo cricket commences Thursday 9th October (today) after school from 3:30pm-4:30pm at the oval. During each session the students will learn a range of cricket skills. These activities will reinforce the skills students will be learning in sport this term. All participants need to bring a hat and a drink bottle.

Active After School

Active After School will recommence next Monday 13th October. It will continue each Monday and Wednesday this term. Come along for some fun physical activities!

Year 6 Talented Student Day

On Wednesday I went to Wagga for a Talented Student’s day. When I got there we played some games and then had recess. After recess we went over to a ropes course and ran around it three times. Then we got into the real work. We got our lab coats on and got to work. First we worked out how and why a cork would not stay in the middle of a glass of water. After that we worked out how many drops of water you could fit on a $2.00 and 5c coin. Our next experiment was to put a fizzy tablet inside a film canister. We waited until it went POP! My favourite part of the day was making rocket launchers. We had to record the angles and distance they travelled. Thank you to mum for taking me. It was a great day.

Angus Williams

Home Reading

Don’t forget to write in your Home Reading Journal after reading each night. Home reading is an important part of weekly homework, so grab a book and read!

Today

is a great day to learn something new!
Reflectiveness

At Ungarie Central School this term we are working on building **reflectiveness**. This means being ready, willing and able to become more strategic about learning. It involves developing skills in four areas.

**Planning** - working out learning in advance

**Revising** - monitoring and adapting along the way

**Distilling** - drawing out the lessons from experience

**Meta-learning** - understanding learning and yourself as a learner.

Next week we will begin with 'planning'.

---

Head Teacher Secondary Studies

Welcome back to term 4. I hope that everyone had an enjoyable break.

Our HSC students start their exams next week, I wish our students the best of luck with these exams. Our year 11 students have started their HSC programs this week. Students will shortly receive their assessment schedule for their 2015 HSC and are reminded to ensure they are regularly checking the Moodle for specific course information.

In week 4 our year 9 students will be travelling to Dubbo to participate in an Aspire event, 'Year 9 We're Doing Fine.' The students will have a choice of a variety of workshops to participate in for the day. More details will come home next week.

Our F1 team is gearing up for the State finals which are being held in Sydney this year. The boys will travel down in week 5 with Mrs Ward to the University of Western Sydney from the 5th of November. The team is in need of sponsorship to help get them to Sydney. If you are able to help please contact Mrs Ward at the school.

Coming up on the 4th of November in Dubbo we have an Under 14's Super 8's cricket carnival with a male and female team entered. We will be holding training on Tuesday and Thursday lunchtimes leading up to this day. We will finalise team selections during this training.

During Week 7, Year 10 will be participating in the "Crossroads" program at Lake Burrendong. An information pack will be sent home next week for this excursion.

Regards Mr Currey

**Laugh a little!**
I bought a new Hoover today,
Plugged it in in the usual way,
Switched it on - what a din:
It sucked **everything** in,
Now I’m homeless with no place to stay.
Atomic Drag

need your support!

To help raise money for the F1 team to travel to Sydney to compete in the state finals they will be hosting a Cake Stall next Thursday, 16th October.

There will be a variety of delicious cupcakes, biscuits, slices and muffins for $1 each.

Please bring some money to enjoy a scrumptious treat and help support the F1 team.

Thought for the day!
The best angle from which to approach any problem is the try - angle
