News this week

It was our pleasure to host Marc McBride, Illustrator of Emily Rodda’s *Deltora Quest*, to Ungarie Central School on Monday. Marc captured our eyes, stoked our imagination and was highly engaging with his creativity, artwork and Irish accent!

Each student at our school got the opportunity to listen to Marc and see his expertise first hand! They also tried their hand at some specific techniques and be exposed to many more. Marc kindly donated three of his artworks to UCS and they will be on display at the Art Exhibition tonight!

Our Kindergarten Transition Program wraps up next Wednesday the 5th of November. It will see our entire Kindergarten enrolment for 2015 coming in for the day.

It has been fantastic to see the new faces ready to hit the ground running day one, term 1! Our partnership with our Bland Shire Pre-School and Playgroup gets stronger every year and makes this transition as smooth as possible.

It’s on TONIGHT!! I can’t wait to see the displays of student work around the Memorial Hall. I’m also looking forward to seeing the variety of entertainment that is coming our way! 5pm – be there!

It was incredible to see so much support for our Special Persons’ Day! Days like this don’t happen without a great deal of coordination from staff and support from our whole school community. A big thank you goes to Miss Emma Barber for her efforts to make this day happen and for all of you who came in and supported our event.

See you soon!

**Illustrator Visit**

Marc McBride, a well known illustrator, visited UCS on Monday 27th of October. Marc held sessions with students from K-Year 10. The students and staff were totally enthralled during the sessions and were amazed by the artworks he produced for us. Thank you to the Bland Shire Council for giving our students this wonderful opportunity.

---

**Hats**

Students are reminded they must wear a hat at school when outside. The weather is warming up and sun protection is extremely important. Remember no hat, no play!

---

**Day for Daniel**

Friday 31st October (tomorrow) is Day for Daniel. This day is for educating children and adults about keeping kids safe through child safety and protection initiatives. It aims to help empower our children to 'Recognise, React and Report' if they feel something is not right. Students are encouraged to wear red tomorrow to support this.

---

**Art Exhibition**

The UCS Art in Action will be held tonight from 5pm to 7.30pm at the Ungarie Memorial Hall. Artwork from the talented UCS students and community will be on display. There will also be a variety of musical items and a performance from Emma’s dance group. Thank you to Mrs Mason, Mrs Lisa Payne, Mrs James and Jason Lewis for their hard work setting up the exhibition.

We look forward to seeing you all there!

---

Thank you to those who attended our Special Person’s Day at UCS today. The students were excited to share their learning with some of the special people in their life.
Revising

For the next two weeks students at Ungarie Central School will be learning about the importance of revising. When you use this learning muscle you are being flexible, monitoring how you are going and making changes if necessary. It is important that students value the process of drafting and editing work not just the finished product. Revising involves students being aware of the importance of the process. Revising helps students become more independent learners and accept more responsibility for their learning.

Head Teacher Secondary Studies

I had the chance to take Year 9 to Dubbo this week for a careers education session with ASPIRE. The students had the chance to participate in some engineering, chemistry, health, business, performing arts and indigenous studies workshops. It was a great day with lots learned. We travelled down on Tuesday afternoon and played some barefoot bowls that evening. We had a star performer come forward in Em Buzz, hats off, young lady!!

Best of luck to our F1 State finalists next week. It will be an amazing experience for you and everyone involved. Mrs Ward has been putting in an enormous amount of time and effort into this and I wish you all success for the week. If you are able to help Atomic Drag out in anyway, the team is still seeking sponsorship to help get them to Sydney.

It is a massive day at Ungarie Central today and I look forward to seeing everyone at today's assembly, Special Persons' day and our Art Show this evening.

Have a great weekend!!

Tongue Twister
Betty Botter had some butter, "But," she said, "this butter's bitter.
If I bake this bitter butter,
It would make my batter bitter.
But a bit of better butter,
That would make my batter better."
So she bought a bit of butter –
Better than her bitter butter –
And she baked it in her batter;
And the batter was not bitter.
So 'twas better Betty Botter
Bought a bit of better butter.
