News this week

It was an action packed Thursday, with our Whole School Assembly, barbecue lunch, Special Persons’ Day activities and Art Exhibition!

Our assembly went exceptionally well. We had a variety of student learning samples across the school, Kindergarten through to Year 12.

We had some visual art, literacy and metalwork projects, as well as students informing the crowd of the different things they’ve been learning over the last few weeks.

Thank you to all who came and supported our Art Exhibition evening! It was great to see you all there! There were some extremely impressive artworks, with a mix of student work and also a variety of artworks from our school and local community!

Special Persons’ Day was also a big hit with all of our students and their special people. There were a variety of activities, with some art and craft, seed planting and photography stations all in action!

I’ve seen some cracking photos printed off and I’m sure some memorable moments were captured! Keep an eye out for them over the next few weeks.

It’s going to be an action packed finish to the term, so hang onto your hats!!
**Kinder Transition**
This week was the conclusion of our Kinder Transition Program. It has been lovely to see the smiling faces of our 2015 Kinders at school over the past 5 weeks. We look forward to seeing them again next year.

**Hats**
Students are reminded they must wear a hat at school when outside. The weather is warming up and sun protection is extremely important. Remember no hat, no play!

---

**K/1 Authors**
During Emma Barber’s practicum last term, K/1 wrote and illustrated a book called “Dear Steven...”. K/1 were excited to see their published hard cover book arrive in the mail last week.

---

**Intensive Swimming**
Intensive Swimming lessons will begin on Monday 24th November and will conclude on Friday 5th December. All students in K-6 will receive a permission note this week. During Intensive Swimming lessons all students must wear a rashie or a t-shirt.
Revising

Secondary Session
On Monday, 7-10 students attended a How2Learn session, organised by Mrs Roscarel & Mrs Malone. It was leading on from the last session on Planning, with students learning about being open to changing their goals or plans for learning, depending on circumstances that arise—flexibility in learning is key, no plan or goal has to be followed from start to finish without a few diversions along the way!

Head Teacher
Secondary Studies

Good luck to our F1 students who are currently at the University of Western Sydney competing in the state finals. The boys and Mrs Ward have put in a tremendous amount of effort towards this and I wish them all the success over the next couple of days.

For secondary sport for the remainder of this term we will be going to the pool. Water safety awareness will be one of the main focuses during this time. The cost will $1.70 each week for non season pass students.

Year 10 have their Crossroads excursion coming up in Week 7. Students will be travelling to Lake Burrendong where they will participate in a variety of activities with their fellow Year 10 peers from across the Lachlan Access Program.

Congratulations to everyone involved in last week’s Assembly, Special Persons’ Day and Art Exhibition. It was a fantastic day and night and it was wonderful to see so many faces around the school. This is another great example of the success of our school, with the talents of our students on show and the hard work of staff to put such successful events together.

That’s it for this week, have a great weekend.

All the best, Mr Currey
