News this week
This week has been a very humbling one for me personally. On Wednesday, I was informed that I have been permanently appointed as Principal of Ungarie Central School.

I am extremely proud of this achievement and look forward to leading the school into 2015 and beyond. I would like to thank each and every one of our whole school community for their support over the journey and I look forward to continuing to repaying the faith!

This Saturday is our last IGA barbecue for this term. If you are in West Wyalong and could spare an hour of your time, please contact the ladies in the office. All money raised from the barbecue goes straight back into UCS, so your support is appreciated.

Our whole school focus on How2Learn has been in full swing this week, with attention on Reflectiveness. Our primary and secondary teams have had students focusing on the areas of Planning and Revising. It is great to see all of our staff and students really absorb this information.

How2Learn skills benefit the students in the classroom, but also apply to life outside of school. So far this year, the Habits of Mind our students and staff have focused on have been Resilience and Resourcefulness.

There’s plenty happening next week! Our Year 10 students will be attending their Crossroads Excursion at Lake Burrendong. This will be a great experience for them, prior to beginning their studies in Year 11 as part of the Lachlan Access Program.

See you soon!

**Mrs Payne’s Literacy Group**

Mrs Payne’s Literacy group are currently studying ‘The Lorax’. They have read the book and are now writing an ending to the story. Thank you to Vanessa Robb for loaning us her copy of ‘The Lorax’.

To coincide with the study of ‘The Lorax’ the Year 2/3/4 door has been decorated in a Lorax theme, with one of our favourite quotes from the text. A huge thank you to Emma for her effort!

**Hats**

Students are reminded they must wear a hat at school when outside. The weather is warming up and sun protection is extremely important. Remember no hat, no play!

**Live Life Well @ School**

**Keep food cool**

Sandwiches can be frozen for up to a week and, if removed from the freezer in the morning, will thaw by lunchtime. Some nutritious sandwiches to freeze include those with fillings of cooked meats, baked beans, eggs, fish and cheese. Most fresh vegetables do not freeze well so put them on the sandwich when it’s packed in the lunch box.

**Intensive Swimming**

Intensive Swimming lessons will begin on Monday 24th November and will conclude on Friday 5th December. All students in K-6 received a permission note this week. $1 for transport to the pool is included in the total cost of the excursion. During Intensive Swimming lessons all students must wear a rashie or a t-shirt.
Distilling

For the next two weeks students at Ungarie Central School will be learning about the importance of **distilling**.

When you use this learning muscle you mull over experiences you have had. It is about learning from past activities and drawing out useful lessons from those experiences. When you are ‘distilling’ you are thinking about what features are likely to help you elsewhere.

**Distilling** encourages students to look at key issues and identify what was important about not only what they have learnt but how they have learnt it.

**Head Teacher Secondary Studies**

Congratulations to Jackson Benness, Kai Davies, Daniel Potter and Jared Robb on receiving an encouragement award at the State finals for the F1 in schools challenge. Thank you to Mrs Ward for all her hard work, dedication and time in preparing these boys for both the Regional and State finals. The students have taken a lot away from this experience and it is another great example of the fantastic opportunities the students here at Ungarie Central get to be involved in.

Year 10 are off to Crossroads next week, spending 5 days at Lake Burrendong Sport and Recreation Centre with their peers from across the Lachlan Access Program.

A reminder regarding swimming for sport that students have to pay $1.70 for entry.

Have a great weekend!!

Regards, Mr Currey

**Laugh a little**

**TONGUE TWISTER**

A tree-toad loved a she-toad
Who lived up in a tree.
He was a two-toed tree-toad,
But a three-toed toad was she.
The two-toed tree-toad tried to win
The three-toed she-toad’s heart,
For the two-toed tree toad loved the ground
That the three-toed tree-toad trod.
But the two-toed tree-toad tried in vain;
He couldn’t please her whim.
From her tree-toad bower,
With her three-toed power,
The she-toad vetoed him.
