Welcome to the new look Humbug! Nothing like a splash of colour and a few photos to spice it up a little! All of our details remain the same, including our school values of Respect, Responsibility and Learning. The photo on the top of each newsletter will change each week also. I hope you like it.

This week we had some visitors come to our school to deliver a “Building Bridges” presentation. Dr Waili, Wendy Keatley and Esther from Headspace, came to speak to our Years 9 – 12 students about all things health. They discussed many different problems that health care professionals can help with and students were encouraged to visit a health care professional when they feel physically or emotionally unwell. They also touched on the topic of patient confidentiality & how to obtain their own Medicare card for access to health services in the future.

This Friday will see the first official use of our new school bus! Mrs Mason & Phil Smith will be taking the recorder group to perform in at the Celebration of Music rehearsals in at West Wyalong High School. The rehearsals will also feature Louise Hunter performing “Kiss Me” by Ed Sheeran. These rehearsals culminate in a matinee concert at 11:30am and an evening concert beginning at 6:30pm. If you are interested in going along, the entry cost is $2.

Also on Friday, secondary students will be given the opportunity to participate in the RFS Cadets program. Students will take part in interesting and challenging training that provides practical life skills, develops leadership, teamwork and initiative skills and fosters qualities of community responsibility and service.

This week Isabelle Archibald has been attending the Riverina Music Camp. Isabelle has been involved in intensive tutorial sessions with highly qualified tutors and will perform tomorrow, as part of small and large ensembles. These concentrated opportunities enable students to further develop their music knowledge and performance skills. She has also been taking part in recreational activities each day, run by Borambola Sport and Recreation Centre staff. We look forward to hearing about her experiences!

Next week is NAPLAN week! On Tuesday, Wednesday and Thursday, students in Years 3, 5, 7 & 9 will complete a variety of Literacy and Numeracy tasks. Each student completing the assessments will be supplied breakfast and lunch as well as bottles of water and lollies. All that’s left to do is to demonstrate how much learning they’ve enjoyed! No luck is required.

See you soon,
Dear Parents & carers,

**Nationally consistent collection of data on school students with disability – 2014**

Our school is participating in the collection of nationally consistent data on school students with disability.

We will be collecting information already available in the school about the support that is being provided to students with disability. Better data will help the Government plan for students with disability.

The data collection will have no direct impact on your child and they will not be involved in any testing process.

The NSW Department of Education and Communities will provide data to the Australian Government from all NSW public schools in such a way that no individual student or school will be able to be identified. In this way, we will ensure the privacy and confidentiality of all students.

If you do not want your child to be counted in the data collection you must complete the attached form and return it to the school before the end of Term 2, 2014. A decision to exclude your child will not affect the support they currently receive.

Further information about the data collection can be found on the Australian Government Department of Education website:

If you have any questions about your child being included in the data collection please contact the school.

If you need help with English to make an enquiry contact the Telephone Interpreter Service on 131 450 and ask for an interpreter in your language. The operator will call the number you provide and get an interpreter on the line to assist you with your conversation. You will not be charged for this service.

Kind regards

Brett Davies

Principal

Congratulations to Isabelle Archibald on attending the Riverina Combined Schools Music Camp at Borambola this week. Louise Hunter and Mrs Roscarel took part in a HSC Music Day at Wagga last Friday aimed at preparing students for their HSC exams. Louise performed in front of a group of 40 of her peers and had the opportunity to view their performances as well. A great opportunity and experience for all involved. Good luck to our performers this Friday at the West Wyalong Music night. Louise and our recorder group will be performing. The night starts at 6.30pm and is at the West Wyalong High Schools MPU building.

RFS Cadets starts this Friday for a group of our secondary students. We are fortunate to be able to provide this opportunity to our students again, it provides a great learning experience for all involved. Also during this time our F1 in Schools teams will be meeting and working towards their upcoming regional finals.

CEFA Sydney University Experience excursion is on next week. We have two year ten students attending this excursion. They will have the opportunity to visit the University of New South Wales, The University of Technology Sydney and Macquarie University.Whilst there they will participate in various lectures, tour accommodation facilities and speak with students about their experiences getting to university and flourishing whilst there. The week will also provide many cultural learning opportunities for our students. It is a fantastic opportunity, and for the students involved it will be the first time they have been in a plane. The trip is fully funded for the students and without the support of Country Education Foundation, UNSW ASPIRE program and Ungarie Central School it would not be able to go ahead.

Thank you to those students who entered into the HOW2Learn poster competition. Our competition winner was Abby Wason. Well done Abby!

Our new learning focus this term is **RESOURCEFULNESS**. We want our students to be ready, willing and able to learn in different ways. It’s about knowing what to do, when you don’t know what to do. During Weeks 2 and 3 we will be focusing on the habit.

**Questioning.** Students will be encouraged to ask questions to help them find out more.

The character for Resourcefulness is **Innovatrix**

Have a great weekend!!

NAPLAN
Next Tuesday, Wednesday and Thursday Years 3 and 5 will be completing their NAPLAN assessments with Mrs Payne.
