**News this week...**

**This weekend is our IGA barbecue.** If you are able to assist please contact the front office tomorrow. Our usual chef’s are unavailable this week, so your help would be appreciated.

**Wednesday 28/5 is our Book Fair Assembly.** It will be a whole school event. There will be showcases of student learning, performances, home reading awards and recognition of student achievement. It will begin at 2pm sharp.

U.C.S is also beginning to implement the **Live Life Well @ School Program.** ‘Fruit time’ has now been renamed ‘Crunch and Sip’, promoting healthy snacks and drinking water. This program also brings a renewed focus on our schools PDHPE Program, with a focus on fundamental movement skills and nutrition education. The aim: **getting more kids active, more often!**

Aligning ourselves with this program will also reduce the amount and type of soft drinks available from the front office. As of next week, **soft drinks will only be available on a Wednesday** with our usual barbecue fundraiser. The types of soft drinks available will also change, with only diet soft drinks permitted to be sold.

It seems that every few months a **new social media platform** or mobile app emerges and becomes popular with young people in our school community. Suddenly “everyone” is on it, according to our children. It's hard for most adults to keep up.

Well the latest one is **Kik Messenger.** Kik is particularly popular with younger teens that generally have a limited texting plan or use an iPod touch because the application gives them access to free messaging. The new version of Kik is rated +17 in iTunes because it allows users to send content from other sites like YouTube. The biggest problem is that users often share their private Kik username on other public social networks. Like any piece of technology, or any other program, **please be aware of your privacy settings and the information you may be sharing with others.**

**Home Reading Awards**

All Home Reading books must be shown to class teachers by this Friday 23rd May. Students who have read for 25 consecutive nights will receive a book at next week's assembly.

---

**Year 2/3/4 Assembly Item**

Year 2/3/4 will be performing an item at next week's assembly. If they have a shower cap or a bathrobe/dressing gown can they please bring them in by Tuesday so they can wear them during the performance.

**Autumn Fun!**

Our trees in the Outdoor Learning Area have some beautiful coloured leaves falling. Students have taken great delight in playing in the leaves this week as you can see from the photo below. It was fantastic to see such a simple thing give them so much enjoyment.

---

**Healthy Lifestyle Tips**

Water is the best way to quench your thirst – and it doesn't come with the added sugar found in soft drinks, fruit juice drinks and other sweetened drinks. Reduced fat milk for children over 2 years of age is a nutritious drink and a great source of calcium. Give kids and teens whole fruit to eat, rather than offering fruit juices which contain less fibre.

**Head Lice**

Please check your child's hair regularly for head lice. The following link from the NSW Government Health website provides information on treating head lice: [http://www.health.nsw.gov.au/environment/headlice/Pages/treatment.aspx](http://www.health.nsw.gov.au/environment/headlice/Pages/treatment.aspx)

Don’t forget our Whole School Assembly next Wednesday 28th May, beginning at 2pm in the school hall. There will be a book fair in the library and students are encouraged to dress up in the theme of ‘Reading Oasis’. We look forward to seeing you there!
Head Teacher Secondary Studies

It’s good to be back on deck again, a big thank you to Beverley and Breanna for the exemplar attitude they displayed throughout last week’s Country Education Foundation of Australia, (CEFA) trip to Sydney. Thank you also to Jane from CEFA for her organisation and support in putting this fantastic opportunity together. Thanks also to ASPIRE from the University of New South Wales for their support and organisation in allowing us a visit there on the Tuesday.

During this term on Friday afternoons our 7 – 10 students are being provided some excellent opportunities for some hands on practical learning experiences through the F1 in school challenge and the Rural Fire Service Cadets program. Mrs Ward is coordinating the F1 program which will see our teams of students head away next term for regional finals. Students are getting an excellent opportunity to learn Computer Aided Drawing, CAD, and will be putting our 3D printer through its paces in the weeks to come. David Lee from the Bland Temora RFS and Jason Lewis and Jo Brew from our local Ungarie RFS brigade are donating their time and experiences in helping the delivery of our Cadets program each week. Thank you for this.

There are multiple excursions coming up for our secondary students as we move towards the end of term, with ASPIRE trips for year 11 and year 8, School Captain visits to Sydney and HSC seminar excursions. There will be information coming home with students involved over the coming weeks.

Have a great weekend!!

Regards, Mr Currey

It starts with you!
Being your child’s first teacher have you ever wondered.....

- why you enjoy learning some new things but not others?
- how to help your child to do well at things you find difficult?
- how you can give your child the best possible start to life?
- how to make more time to spend with your child?

Start with the BASICS.

Belonging
Aspirations
Safety
Identity
Challenge
Success

This week we’ll look at the first aspect of BASICS -

Everyone needs to feel they belong. Children with a strong sense of belonging are more likely to make friends who have similar clear guidance from their families.

Tips for developing belonging:

- Show your child what you want them to do, rather than criticising them.
- Remind your child that they are loved for who they are and not what they do.
- Keep a family photograph album. Look at it sometimes and talk about the people it shows.

Thought for the day
If you can't convince them, Confuse them.

Laugh a little
A Gentleman dining at Crewe
Found a very large bug in his stew.
Said the waiter, “Don't shout
And wave it about,
Or the rest will be wanting one too.”
**Lost**

Regan Hukins has misplaced her School Jacket with her name in it. If found please return to the Motel or to Regan at school.

*Could Parents/Caregivers please check their children's jackets to make sure they haven’t picked up the wrong one and please ensure students names are marked ON ALL CLOTHING COMING TO SCHOOL*

Thank you for your co-operation.
