News this week...

It was great to see so many parents and carers supporting our Book Fair Assembly. It was a fantastic opportunity for our students to showcase their learning with everyone. The performances, displays and work samples of students from Kindergarten through to Year 12 was awesome!

I am sure you were lured into the library before or after our assembly to witness the display of books available for purchase. Mrs Archibald had the library looking spectacular, as always. I’m sure there will be a great deal of home reading going on for the remainder of this term!

Next week we have Nadine from the Red Cross coming in to support our Live Life Well @ School Program. Nadine will be running workshops on nutrition with our Primary students, making food kebabs and creating healthy sandwiches with our senior Primary students.

Tomorrow is the last day for our student teacher Miss Laura Barker. Miss Barker has spent the last 2 weeks with our Year 2/3/4 class and has witnessed some top shelf teaching and learning from all of our teaching staff. We wish Laura well with the remainder of her studies and her future career!

The school has recently purchased a significant number of brand new school jumpers, with more to come! School uniform is actively encouraged at Ungarie Central School. I look forward to seeing all students wearing their school jumpers as the weather gets cooler!

We unfortunately didn’t have enough helpers for last weekend’s IGA barbecue, so we had to cancel. I will advertise the new date in next week’s Humbug. If you can spare an hour of your time on a Saturday, it would be appreciated.

This Monday sees our Year 3 – 6 recorder group travel to Wagga for rehearsals before their big trip away. I am sure the time and effort will pay off beautifully! Rise and shine – the bus leaves at 7:30am sharp!

Red Cross Visit
Next Thursday 5th June Nadine Whalan from the Red Cross will be running healthy eating sessions with K-6. The sessions will focus on good foods and the importance of packing a healthy lunchbox. K-4 will make fruit kebabs and 5/6 will make sandwiches in their session.

Head Lice
Please check your child’s hair regularly for head lice. The following link from the NSW Government Health website provides information on treating head lice:

Primary Excursions
On Friday a number of our students will represent UCS at the Lower Lachlan Cross Country in Tullibigeal. Good luck!
Also on Friday is the Lake Cowal Conservation Centre excursion for those students not attending the cross country. Don’t forget recess, a water bottle and a hat. Lunch is provided. The bus will leave the school at 9am.

Fruit Salad......Yummy Yummy!
Fruit salad is a great idea for Crunch & Sip, full of colour, flavour and nutrients. Why not cut up your child’s favourite fruit and pop it into a sealable container. Don’t forget a fork!

Hot Shots Tennis
During Sport time our K-6 students are participating in the Hot Shots tennis program. Parents may wish to register their children in the program so they can receive a t-shirt. There is a flyer attached to the newsletter with information about registration.
This week we are continuing with the habit of Resourcefulness.

Our focus is Making Links.

When using this we encourage students to:

- look for connections
- find pleasure in seeing how things fit together
- connect new ideas to how they think and feel already

Auskick News
We had a big weekend of footy with 20 odd players heading up to Tulli on Saturday. Although Tulli only had three we made a great game in very hot weather, awards went to Lochie Ward and Ashton Ross. Then on Sunday we headed over to Leeton for our first carnival. With 7 players in both the under 7’s and under 10’s it was a great day had by all. The boys played 4 games and our great handball skills really showed through. This week we play Lake at 10.30 am at Ungarie. Hope to see you all there.

There will be no Auskick training next Wednesday 4 June due to the long weekend, see you all on 11 June.
