Welcome back! I hope everyone enjoyed the holidays and used the two weeks to recharge and come back ready to dominate Term 2!

The two weeks break incorporated Easter and ANZAC Day, with our students participating in the Ungarie ANZAC Day march. It was great to have our school captains, Louise & Bridie, lead our current and future students in a great show of support to our town service. Also, the contributions by students and staff to the town band were fantastic to see and all performed exceptionally well!

We were also very privileged to have Warrant Officer, Class 2, Lloyd Brandon visit us. He was awesome! Lloyd delivered an informative session to all of our Year 7 – 12 students regarding the opportunities the Army & other defence forces can provide. He showed a number of videos of the different types of careers available in the Army, which involved many interviews from men and women describing their experiences first hand.

Term 2 is another busy time of year, with everything happening over a nine week period. We are already off to a flying start with our ANZAC Day ceremony held on Wednesday.

A big thank you must go to Mrs Malone and Miss Imrie, for their time and effort in preparing a fantastic service for our school community.

Engineering, Aviation, Nursing, Administration, Communication, various Trades and Combat & Security were all covered and certainly opened our student’s eyes to another pathway beyond their school life. A great way to start the term!
**K-6 PE**

During PE lessons this term students from Kinder to Year 6 will be learning a Fundament Movement Skill each week. Next week students will learn the correct technique of a Vertical Jump and practice the skill during some fun games. Primary students will be playing tennis & netball for Sport in week 2.

**UCS Cross Country**

The UCS Cross Country will be held on Thursday 8th May. The date has changed due to the Celebration of Music at West Wyalong High School, which involves many of our students.

Students will head over to the sportsground at 12.20pm to begin at 12.30pm.

Spectators are most welcome to come and support our students.

**AASC**

AASC will begin next Monday. It will continue every Monday and Wednesday for the remainder of the term.

**Crunch & Sip**

Students are invited to take part in our healthy program - Crunch & Sip. We will have a morning break to eat fruit or vegetables and drink water in the classroom. Students will be able to refuel with fruit or vegetables to assist physical and mental performance and concentration in the classroom. This takes over from our traditional ‘fruit attack’ break.

**Hot Shots Tennis**

UCS is participating in the MLC Hot Shots tennis program. We have received over $1000 of tennis equipment to use as part of this program. This will be a wonderful program for our students to take part in.

**2/3/4 Library**

There has been a change in the Year 2/3/4 library borrowing day. Borrowing will now be on Tuesdays, beginning next week. Students must bring a library bag to borrow.
Head Teacher Secondary Studies
Welcome Back to Term 2, I hope that everyone had an enjoyable break and got to make the most of their long weekends! It was once again great to see so many members of our community at the dawn service on ANZAC Day and again at the morning service. It was wonderful to see so many of our students marching, and the new faces in the school and community band.

Wednesday this week also saw the school conduct its ANZAC Day assembly with a big CONGRATULATIONS to Vanessa Robb on receiving the Reg Rattey award. Thank you to Jackie and Tamara for again supporting the band and thank you again to Tamara for playing the Last Post and Reveille.

We have a short term, with only nine weeks in it and they are going to be a very busy nine weeks indeed. With NAPLAN, excursions and reports just to name a few, this term will be over before we know it. I look forward to us starting the RFS Cadets program next Friday providing our students in years nine and ten a fantastic opportunity and experience to be involved in.

In week three, two students from year ten will be on their way to Sydney to take part in the annual CEF Sydney University Experience trip along with 35 other students from across the state. The lucky ladies will get to experience, the University of New South Wales, University of Technology Sydney and Macquarie University as well as various other cultural activities throughout the week.

During the holidays one of our year 11 students Kayla Bennett took part in a TVET course in Aviation at the Temora airfield. The course is designed around giving students the knowledge to support preparation for their initial pilot's license assessment. This course is on top of Kayla's current full time load and will consist of a further two weeks during her upcoming school holidays. This is a fantastic effort to commit school holiday time to gain further education in an area of interest. Well done Kayla!!

That's it for this week, have a great weekend!!

Regards, Mr Currey

Kayla Bennett’s Aviation Experience
“The first day was horrible! I walked in wearing a skirt and everyone else was in trackies and boardshorts. I felt so uncomfortable but time flew so I must have enjoyed it. I made most of my friends on the second day.

Most of the other students have a lot of experience in planes, most have flown a plane.

While we were there we got to go up in a Cessna 172 and spent time studying instrument panels in planes and simulators.

It ended up a very interesting and enjoyable week and I look forward to attending again next school holidays.
