RIVERINA RECORDER CLUSTER REHEARSAL with Mrs Mason

Monday started bright and early for the Sydney Recorder group as they headed off on the school bus to the cluster rehearsal at CSU Wagga. Some of the other schools attending included Tullibigeal, Jugiong and Temora West. Our students’ behaviour was excellent on the day, and their commitment to practise has paid off. Susan Sukkar, the coordinator of the Opera House concerts, was running the rehearsal. She was very pleased with the standard of playing of our students, particularly the Descant Ones (Angus Williams and Josh Roscarel) and Year 7 student Seth McCubbin. Seth was the only student to play the Treble recorder on the day, and Susan was so impressed with his performance that she made a special request that he attend the concert series with the Ungarie group: congratulations, Seth!

Well done to all our recorder players, and don’t forget to keep practising and memorising your music!

TOP: Abby Wason, Ryan Crofts, Seth McCubbin, Susan Sukkar, Ruby Henley, Tom Roscarel, Molly Bryant, Tess Henley and Kadee Gerhard-Scali. Front row: William Batty, Georgia Wilson, Angus Williams, Josh Roscarel, Prue West, Madi Cassidy and Ella McRae. ABOVE RIGHT: Abby, Ella, Tess, Georgia, Tom, William and Ryan at the rehearsal!

PSSA AFL with Angus Williams

On Tuesday the 20th of May, Josh, Tom, Ryan and I went to Sydney to play for Western Region in the NSW PSSA AFL State Carnival at Macquarie University. We played 5 games over the 2½ days. Our only win was against North Coast, with Thomas Ryan (Phil Smith’s grandson) from West Wyalong Public kicking the winning goal.

We placed 10th overall at the Carnival. Shannon Noll, Kasey Chambers and Swans Coach John Longmuire all had sons playing at the carnival!
CSIRO SCIENCE DAY
On Friday the 30th of May twenty-nine K-6 students visited the Lake Cowal Conservation Centre. We were put in groups and joined with Tullibigeal and Wyalong students. We had a fantastic day catching tadpoles and fish and looking at them under the microscope, planting our own seeds in our newspaper pots and playing and experimenting with magnetic objects. We enjoyed a lovely BBQ lunch, saw emus, kangaroos and 993 cattle on the road on our way home. We were tired and dirty, but had had a great day!

Last Friday a number of students from Ungarie travelled to Tullibigeal to compete in the Lower Lachlan Cross Country. West Wyalong Public School brought a large and competitive contingent of runners, who proved to be stiff competition for the other entrants. There were a number of stand-out performances by Ungarie students on the day, culminating in a selection of ribbons across all age groups.

The students who made it to Western Region Cross Country in Wellington were:
- Tess Henley (4th) in 8/9yr girls
- Hayley Wallace (5th) in 8/9yr girls
- Jack Crofts (2nd) in 8/9yr boys
- Noah Bryant (5th) in 8/9yr boys
- Ella McRae (1st) in 10yr girls
- Georgia Wilson (3rd) in 10yr girls
- Jye Hoskinson (6th) in 10yr boys
- Tom Roscarel (6th) in 11yr boys
- Josh Roscarel (2nd) in 12/13yr boys
- Angus Williams (4th) in 12/13yr boys
- Ryan Crofts (6th) in 12/13yr boys

Well done to all these students, and also those for competing well and trying hard on the day.
