News this week...

Congratulations to Kathryn and Adam Currey on the arrival on their baby girl. Jane Kathryn Currey was born on Monday the 2nd June. All are doing well. Great news!

In the coming weeks, we will be advertising a number of positions that have been made available at our school. One of these positions will be a Student Learning Support Officer. This will be a full-time, temporary position for Terms 3 and 4. Keep your eyes peeled in next week’s Humbug as we will be opening these positions up to members of our local community and beyond.

It has come to my attention recently that some of students are not considering the safety of other road users when coming to and from school. Please, if you are walking or riding bikes, scooters or skateboards, keep clear of the centre of the road. Road Safety is a massive issue at the moment, so look after yourselves and each other.

Also in the pipelines, are some new signage options for UCS. Working alongside our PBL team, there will be signage outlining our school values of respect, responsibility and learning as well as our expectations across many school areas. A new school sign directly behind the library is also being discussed... Watch this space!

See you soon!

Home Reading
Don’t forget to write in your Home Reading Journal after reading each night. Home reading is an important part of weekly homework, so grab a book and read!

PSSA Sport
Congratulations to those students who competed at the LLPSSA Cross Country in Tullibigeal last week. We have quite a number of students who have qualified to run at the Western Area Cross Country next Wednesday 11th June. Special congratulations to Ella McRae for her first place. Well done Ella!

Red Cross Visit
Today we had Nadine from the Red Cross visit our school. Students from K-6 learned about healthy eating and were lucky enough to be able to make some healthy fruit kebabs and sandwiches. Yum!

Be healthy – be active
Children and adults need physical activity every day. Activity helps build better bones, muscles, joints and helps maintain a healthy weight. Physical activity can also reduce the risk of heart disease, type 2 diabetes and some cancers. Get active anyway you can - walking, riding and playing active games such as Duck, Duck, Goose or Bull Rush.

Sneeze Safe
UCS are taking part in the Sneeze Safe program. The program is designed to teach children about coughs, colds and flu in the classroom and at home and to provide good hygiene habits to help prevent the spread of viruses.

Head Lice
Please check your child’s hair regularly for head lice. The following link from the NSW Government Health website provides information on treating head lice: http://www.health.nsw.gov.au/environment/headlice/Pages/treatment.aspx
It starts with you!
Being your child's first teacher have you ever wondered.....
• why you enjoy learning some new things but not others?
• how to help your child to do well at things you find difficult?
• how you can give your child the best possible start to life?
• how to make more time to spend with your child?

Start with the BASICS.
Belonging
Aspirations
Safety
Identity
Challenge
Success

This week we’ll look at the second aspect of BASICS –

ASPIRATIONS
Aspirations are dreams about what’s possible. Once children learn how to stick with things over time their aspirations become goals with a timeframe. Children who set goals, and who work towards achieving these goals, will be more successful in later life.

Tips for developing your child’s aspirations:
• Be positive. Turn “can’ts” into “cans”
• Practice goal setting in and around the home
• Share your own aspirations

Secondary News
Yr 7/8 Tissues!!
It has become the cold & flu season once again & Yr 7/8 has been asked to bring in a box of tissues each, to help out with usage, or they could really think about our environment and grab a hanky.
Please deliver tissues to Mrs Malone.
Thanks

Yr 7/8 Home Learning –English
All Yr 7/8 students have two home learning pages due each Friday. These are in their home learning books.
If you haven’t seen these books at home during this term, please ask your child to show you, as they have had home learning every week.
Pages for this week are marked.

LAUGH A LITTLE
There once was a lady named Lynn
Who was so uncommonly thin,
That when she tried
To drink lemonade
She slipped through the straw and fell in!

Thank You

Reminder

UCS K-6 will be participating in the Hot Shots Tennis program during sport. Parents can register their children online to receive a FREE Tennis Hot Shots T-Shirt
See below for details

Parents would your child like a FREE tennis t-shirt and Spongebob backpack?*

As you may be aware our school is now an official partner of Tennis Australia’s National Grassroots Program, MLC Tennis Hot Shots. As a benefit to this program all kids in our school have the opportunity to claim a FREE tennis Hot Shots t-shirt and a Spongebob backpack*. In addition to the t-shirt and backpack*, our school will receive a $2 rebate per child that registers which goes towards additional tennis equipment for our school.

To take advantage of this offer simply:

2. Scroll down to the bottom of the page and ignore the “MyTennis ID login” and go directly to the “MLC Tennis Hot Shots Venue”
3. Please type in the school postcode or name of the school and click the blue search button
4. Find our school and click the blue select button
5. Now scroll down the page and complete each of the fields. Please note that in the phone field you need to include your area code before your phone number so for example 0298765432 with no spaces
6. Once all fields have been completed your child will receive their t-shirts and backpack* at school. These gifts will be handed out at the end of each month

We thank you for your ongoing support.

*SpongeBob backpacks are only available for a limited time. To ensure you don’t miss out, register your details online now.
