News this week...

I would like to congratulation Mrs Sonya Ward on achieving permanency with the NSWDEC. As of February 3, 2015, Sonya will be a permanent member of staff at Ungarie Central School. Since arriving to Ungarie, Mrs Ward has built a great rapport with all the students and staff. She is an outstanding classroom teacher and all the staff are ecstatic that she is on board permanently! Awesome news!

*** Important

The closing date for the positions of:
- Student Learning Support Officer
- Classroom Teacher
- General & Farm Assistant

has been extended until 4:00pm, Monday, 23rd June. If you are interested in any of these positions, please see the advertisements attached in this newsletter and provide an application addressing the specific selection criteria. Interviews and appointments will be complete by Friday 27th June.

It was great to head down to our CWA Hall on Monday and witness the presentation of learning on our country of study – Botswana. Jai Thompson presented his award winning PowerPoint presentation and Jett, Ashton, Abby & Georgia received certificates for their fantastic and informative posters. Mrs Mason also had our recorders sounding a treat, as always! The ladies kindly provided afternoon tea for the kids. UCS also received a donation of $50 towards the purchase of some additional resources for the school. Thank you!

In other news...

After consultation with students and staff, I have decided to place a ban on mobile phones in and around the classroom. Any student with a mobile phone is asked to hand them in at the front office where they will be securely kept. Students have been informed over the last two weeks and agree that phones are a distraction from their core business of learning. If you would like to be in contact your child while at school, please phone the front office and we can pass any messages on or get your child to make contact with you.

Your support with this is appreciated in advance.

Students must wear joggers as there will be physical activities on the day.

Primary Recorder Excursion
Good luck to our Primary Recorder Group who will be heading off to Sydney to perform at the Sydney Opera House next week. They will leave for Sydney on Sunday and return to Ungarie on Wednesday. A highlight of the excursion will be watching a musical performance of ‘The Lion King’ on Sunday night. What a fantastic opportunity! Their Opera House performance is on Monday night and with the many hours of practise they have put in they are sure to sound outstanding!

Head Lice
Please check your child’s hair regularly for head lice. The following link from the NSW Government Health website provides information on treating head lice: http://www.health.nsw.gov.au/environment/headlice/Pages/treatment.aspx
This is our fourth week looking at the BASICS of effective family learning and developing your child’s self esteem. The fourth aspect is –

Your child is an individual. Allow them to follow their own interests and not just copy yours! By learning about their strengths and weaknesses, and what is important to them, your child is developing a sense of identity.

Tips for developing your child’s identity:
- Encourage your child to talk about feelings. This is particularly important for boys, who tend not to express themselves freely.
- Share your own interests and enthusiasms. Take an interest in your child’s, avoiding comparisons with others in the family unless you can do this in a positive way.

We had 18 players turn up to play on Saturday and there was some great fun had by all. Harry had a great day kicking some good goals and showing some good hand balls. The other award went to Patrick Whiley who was super strong down back, stopping everything that came his way.

This week we have no Saturday game as the seniors head to Cobar but we are off to Ganmain on Sunday for their Gala Day. Should be a great day out. Mark.
