The Humbug

**News this week...**

On Friday we were fortunate to have the crew from [Musica Viva](http://www.musica-viva.com) come for a visit. They were very entertaining! There were a variety of different instruments, songs and even a few students from the crowd got to join in! It was great to see members from our whole school enjoy the performance and nice of Naradhan Public School to join us. Thank you Mrs Mason for organising the show to visit us!

In the coming weeks, we will have some **technology upgrades** happening and some new additions to our already impressive collection of devices to support learning. We are receiving 6 new complete computers; we are upgrading 5 of our smartboards and will have enough iPads for a complete class set!

I can’t wait to see these upgrades in our classrooms to compliment the quality teaching and learning activities that are happening!

I have heard fantastic reports from our [Kindergarten, Year 1’s and 2’s](http://www.ungarie-c.schools.nsw.edu.au) about their **excursion to Griffith**. The infants watched Mr. McGee and the Biting Flea. They had a great time and all came back telling me the shows ‘big secret!’ From all the photos I’ve seen, the park looked like fun too! I’m sure Mrs Parkinson, Emma and Sheree all slept well that night! Thanks ladies!

It was brilliant to see so many parents and family members come in to support of [Education Week Open Day and Assembly](http://www.ungarie-c.schools.nsw.edu.au). The showcases of learning and snapshots of the different programs running here at UCS were all brilliant to see. It was also a great time to acknowledge the efforts and commitment of students, staff and community members of Ungarie Central School.

So much more to tell you about, but I’ve run out of room! I look forward to telling you all about the award winners next week!

See you soon!
Education Week Open Day

It was wonderful to see so many visitors in our classrooms yesterday for our Open Day. Students were excited to show their parents, grandparents and friends their learning journey so far. Here are some of the classroom displays from our Primary classrooms.

Super Spellers
2/3/4
Jayda Brew, Reuben West, Harry Roscarel, Noah Bryant, Hayley Wallace, Regan Hukins, Ashton Ross, Hugh Williams, Georgia Wilson

5/6
Jai Thompson, Angus Williams, Josh Roscarel

LLPSSA Athletics
The LLPSSA Athletics will be held in West Wyalong on Tuesday 5th August. Those students who qualified to compete received a note this week, which must be returned by Friday.

GOOD LUCK!
Head Teacher Secondary Studies

Well done everyone!! Our Open Day on Wednesday was fantastic. It was great to see so many parents, grandparents, aunties and uncles, cousins and friends at the school to take a part in this great day. It provided a great chance for us to showcase in the secondary area some of the extracurricular programs that we are offering our students the chance to be a part of.

Our F1 students are gearing up for their regional finals in two weeks time at Dubbo. Their cars are being cut at the moment and it won't be long until they are primed and ready to paint. The students are currently seeking sponsorship for their race teams, which is an important part of the challenge. If you are able to help out in any way they would be most grateful for your support. Please contact Mrs Ward for further information.

Our Cadet students are putting the finishing touches on their training over the coming weeks in preparation for their graduation ceremony at the Ungarie Show. They will again put on a demonstration of the skills that they have learnt over the past ten weeks. Thank you to Jason Lewis and Jo Brew for their time and support in this program allowing it to be an opportunity for our students.

HSC Trial exams start in Week 5, students should be receiving or have received their notification of assessment for these exams as well as their exam timetable this week. These exams provide a good indication of where the students are at and highlights areas of strength and those that need some work.

This coming Tuesday Year 9 – 12 students will be travelling into to the Bland Shire Council Offices for Local Government Week. Whilst in at the Shire offices students will be shown the vast array of resources available to them both online or electronically as well as the resources and services available at the library. We will then be hosted for lunch by the council. Following which we will make our way to the Council Chambers where students will have the opportunity to see the variety of career options that Local Government can offer.

The West Wyalong Country Education Foundation will be holding its annual Scholarship information night on the 20th of August. This night is for students completing their HSC in 2014 or individuals having to relocate for further study. For more information on the specific eligibility requirements please visit https://cef.org.au/cef/cef-foundations/nsw-foundations/west-wyalong/ Please watch this space for further information regarding time and location. Good luck to everyone involved in sporting finals this weekend!!

Have a great weekend.

Regards Mr Currey

Questioning in Mrs Payne’s English Group

This term we are reading the text ‘Charlotte’s Web’. As we’ve been reading we’ve been thinking of questions we have about the book. Hopefully we’ll find the answers to these questions as we keep reading. Here are some of the questions we have had so far:

- What sort of spider is Charlotte?
- How will Charlotte save Wilbur?
- Will she succeed?
- What word will Charlotte write next?
- Will the farm become famous?
- Why couldn’t Charlotte write ‘Don’t kill the pig’?
- How old is Charlotte?
- Why couldn’t Fern keep Wilbur?
- Will Charlotte go to the fair with Wilbur and make a web?
- Will Wilbur get to stay at the farm or will they sell him?

Recycled Design
The Year 9/10 Design & Technology class have started a new topic this term called Recycled Design. During the unit they will be learning about sustainability and sustainable design. They will also be designing and constructing their own recycled object for the home. *If anyone has any old materials that they would like to donate to the school, the students would be very grateful. Some of the materials they are looking for include, recycled timber, pallets, mirrors, glass, and paint.*
We look forward to sharing our designs later in the term.
