News this week...

Last Thursday and Friday I had the opportunity to attend a Secondary Principal’s conference in Leeton. Topics discussed included finance, maintenance of the school and Work Health & Safety. This also provided me with an opportunity to network with many other Central and Secondary Schools.

The next 3 year School Planning Tool was discussed and I look forward to sharing our vision and collaborating with you to develop a 3 year plan for Ungarie Central School at our next P&C Meeting, on the 3rd of September. Other technologies were discussed and ways to support the implementation of these devices in schools.

It was an early start for our F1 team yesterday morning! The students were up before the birds as they left at 4:30am to head to Dubbo. I am sure the work and learning they’ve completed with Mrs Ward served them well! Good luck!

All staff are very selective about Professional Development that takes any member out of Ungarie Central School. These decisions are made based on the impact it will have on staff learning and what benefit it will give the students of UCS. All professional learning opportunities are also aligned with our current school plan and individual staff professional learning plans.

This Thursday and Friday I will be in Moama at a Primary Principal’s Conference. This conference has many highly regarded guest speakers, speaking about all things learning and I can’t wait to hear what they have to say! This includes the Secretary of the NSWDEC, Dr. Michele Bruniges!

Other guest speakers include Khao Do, Matina Jewell and Amanda Gore. I look forward to informing you all about it when I return.

See you soon!

Year 5/6 Science with Mrs Jackson
Year 5/6 are learning about ‘Flight’. They’ve looked at the history of flight and were lucky to have a demonstration with a model aeroplane last week. This week they discussed the four forces of flight and made kites to demonstrate these.

Live Life Well @ School
Did you know?
In NSW, about half of primary and just over half of secondary school students do at least 60 minutes of moderate to vigorous physical activity each day. Secondary school boys are more active than secondary school girls.
Regular physical activity helps kids and teens to:
- grow and develop healthily
- build strong bones and muscles
- improve balance and develop skills
- maintain and develop flexibility
- achieve and maintain a healthy weight
- improve cardiovascular fitness
- reduce stress and feel more relaxed
- improve posture
- boost confidence and self-esteem
- have fun with their friends and make new ones.
So get active today!

Kindergarten Transition Program
UCS is currently taking enrolments for Kindergarten students for 2015. Invitations will be sent home shortly to all parents of prospective Kindergarten students to attend an information afternoon later this term. We look forward to seeing you there!

Save the Date!
Our next Whole School Assembly will be held on Friday 5th September. This will be a Book Week Assembly so students are encouraged to come dressed as their favourite book character.
Congratulations to our students competing in the F1 in Schools challenge yesterday in Dubbo. It was an early start and late finish for the day, with a few tired eyes about the school today!! The young gentlemen did an exceptional job representing themselves, their families and the school. Well done boys. Thank you to Mrs Ward for your efforts in putting this all together.

This is an amazing program for our students to have the chance to be involved in. The skills that they develop from participating in this program are exceptional and I really look forward to watching these further develop as they continue to participate over the coming years.

HSC Trial exams have been taking place this week and will continue into next week. Year 11 students need to be preparing for their upcoming Yearly exams in week 9 and 10. Over the coming weeks we will be running numeracy and literacy diagnostic testing across years 7 – 10.

This coming Wednesday 20th of August FOR ALL YEAR 10 PARENTS, Aspire will be here at the school at 3.20pm to conduct an information session for the upcoming WOW – work experience trip to Sydney, your attendance is expected please. If you are unable to attend please contact the front office and advise the ladies of this.

A reminder that if you have changed your contact details, especially phone numbers could you please let the ladies in the front office know so as we are able to update these on our system to ensure that we can get in contact if needed.

Good luck to all of our sporting finalists' this weekend.

All the best, Mr Currey

Unfortunately it is very hard to please everyone as to what time you do a shift and I apologise if the shift you have been rostered on does not suit you or you are unable to do them. Please swap yourself or find a replacement.

**PLEASE DO NOT, JUST NOT TURN UP!**

We appreciate everyone supporting our club and doing volunteer shifts and making cakes, slices etc.

We are a great club THANKS TO ALL OF YOU WHO MAKE IT SO.
