News...

Over the last 3 weeks, our executive team of Mrs Payne, Mr Currey and I had the opportunity to formally complete lesson observations of our teacher’s classrooms. This is a part of our Teacher Assessment and Review Schedule (TARS).

The purposes of these visits were to:

- Support and encourage professional growth
- Provide feedback
- Support teacher development
- Build professionalism
- Develop professional relationships
- Understand accountability

Over the next two weeks, teaching staff will get the opportunity to observe each other teach. This is a fantastic professional learning opportunity for staff to gain knowledge and expertise from one of their colleagues.

There are many opportunities for students to take part in learning inside and out of the school grounds. Here’s a snapshot of what’s coming up...

Today, our Years 9 – 12 students have attended a Careers Day at Condobolin High School. At these days, all students are provided with a snapshot of opportunities available to them beyond their formal years of schooling.

Tomorrow, we have Josh, Ashton, Ella and Hugh all competing at the Western Region Athletics Carnival in Dubbo! Good luck!

Tuesday next week, we have the Solid State Circus coming to town, presenting their show “State of Play”. It reads to be a high energy show featuring many circus skills!

Friday next week, we have Year 5/6 participating in the T20 Big Bash Cricket tournament run by Cricket NSW in West Wyalong.

Also, keep an eye out for a Year 2-6 overnight excursion to Bathurst coming up. This is to compliment the units of learning on gold, which are being delivered across Mrs Payne’s and Mr Cattle’s class! Should be good!

See you soon!

Year 2-6 Gold Excursion
Years 2-6 are currently studying 'Gold' in HSIE. To support this unit of work we are currently organising an excursion to the Bathurst Goldfields, to be held on Tuesday 16th- Wednesday 17th September. Attached to the newsletter is a Pie Drive form. This is a fundraiser towards our excursion. Please support our Pie Drive to assist with our excursion cost.

Home Reading
The next Home Reading awards will be presented at our Whole School Assembly during week 8. Students must hand their Home Reading Journal to their classroom teacher by Monday 1st September to receive their book awards at the assembly.

Kindergarten Transition Program
Information Afternoon
A Kindergarten Transition information afternoon will be held on Wednesday 10th September 2014. The meeting will be from 2.00pm to 3.00pm in the K/1 room. Parents are requested to arrive through the front office of the school. We look forward to seeing you there!

K/1 HSIE
As part of their HSIE unit, Families, Past and Present, K/1 students need to bring in a family artefact to share with the class next Wednesday 3rd September. K/1 will also be going on an excursion to the museum during Week 9 on the 10th October.
Mrs Malone

Whole School Assembly
Our next Whole School Assembly will be held on Thursday 4th September. This will be a Book Week Assembly so students are encouraged to come dressed as their favourite book character. The assembly will begin at 2pm in the school hall.
Head Teacher Secondary Studies

On Tuesday our secondary students had the opportunity to travel across to Griffith to view Shakespeare's 'Henry V' performed by the Bell Shakespeare Company. It is a fantastic opportunity for our students to be able to participate in such experiences further supporting what they are currently doing in the classroom. Thank you to Mrs Malone for organising this trip.

Today students from years 9 – 12 travelled to Condobolin to take part in a careers expo. We will have some pictures and a report next week for you.

Coming up next week Year 10 are off to Sydney for "WOW" or their Week of Work. They depart next Friday for the week. It is a great opportunity for our students to be able to participate in such a program providing them with experiences that would be difficult to source locally.

Our Book week assembly is on next Thursday I look forward to seeing everyone dressed up as their favourite book character.

Our RFS Cadets will be having their graduation at the Ungarie Show on the 13th of December. They will be putting on a demonstration during this time. All cadets students are asked to bring in their appropriate clothing next Friday for a practice session.

Have a great Weekend!!

Regards, Mr Currey

Growth Mindset

At Ungarie Central School we are developing students with a growth mindset. When students have a growth mindset they understand that intelligence can be developed. Students focus on improvement instead of worrying about how smart they are. They work hard to learn more and get smarter. Students are enthusiastic, hard-working, persistent learners. They take charge over their own success.

In a growth mindset school teachers collaborate and learn from their colleagues. Teachers are currently observing other teachers teach, which has been an invaluable experience.
