News...

Last week we had the **Solid State Circus** come in and visit us at the Ungarie Town Hall. The show was absolutely fantastic! As you can see from the photos, they were extremely entertaining and providing many laughs and we were in awe with what Simon, Hemlock and Luth could do! Unreal!

Good luck to our Year 5/6 students who are heading into the **T20 Big Bash** cricket event in West Wyalong tomorrow. The aim is enjoyment and participation - but if you can belt a few around and knock the wickets over a few times, it’s bound to be more fun!

Last night the staff had a **retirement dinner for Phil Smith**. Phil began at UCS in 1972 - serving our community, staff and students for over 42 years. The whole school community wish Phil well in his retirement and hope there is a whole lot of relaxation in the times ahead!

Tonight is the Lachlan Access Program’s Graduation evening. Many staff will attend the event, celebrating Mitchell and Louise’s completion of the Year 12 studies. I look forward to congratulating them on a fantastic achievement! **UCS will also be holding a Year 12 farewell on September 17.**

Breanna, Beverley and Matt will be heading to Sydney on Friday to begin some **work experience**. This will be an amazing experience for them! Some of the workplaces they will see will include Google, Blackdog Institute, Law firms, Financial Institutions, Metal work companies, just to name a few!

Students will travel by bus and be accompanied by Mr Currey. I will get the opportunity to travel down on Tuesday, and return with the students on Saturday.

Thank you to Mr Currey for organising, what is sure to be, an amazing experience for our students!

See you all soon!

Premiers Spelling Bee
Ungarie Central School is taking part in the NSW Premier’s Spelling Bee. We recently held a qualifying round at school to find our Year 3/4 and Yr 5/6 representatives. Congratulations to Georgia Wilson, Ella McRae, William Batty and Prue West who were our school champions! On Thursday 11th September these students will be taking part in the isolated schools regional final. This will be held via video conference in the Year 2/3/4 room. Parents of our representatives will receive an invitation to attend. The students are busy learning the tricky words they’ll have to spell on the day, such as ‘locavore’, ‘inconsequential’ and ‘statuesque’!

Year 2–6 Gold Excursions
Years 2-6 are currently studying ‘Gold’ in HSIE. This involves looking at both gold mining in both the past and present. To support this unit of work we have organised two excursions for students.
On Wednesday 10th September we are visiting the Lake Cowal Gold Mine. We will tour the mine and see how gold is mined today.
Our second excursion is to the Bathurst Goldfields on Tuesday 16th to Wednesday 17th September. Students will see how gold was mined in the past. Notes for the Bathurst excursion are due back at school tomorrow, September 5th and money must be paid prior to the excursion. Please do not hesitate to contact Mr Davies if any financial assistance is required.

Kindergarten Transition Program
UCS is currently taking enrolments for Kindergarten students for 2015. Invitations will be sent home shortly to all parents of prospective Kindergarten students to attend an information afternoon later this term. We look forward to seeing you there!

Book Week Assembly
It was fantastic to see so many visitors to our Book Week Assembly today. Well done to the students who dressed up for Book Week. There were some excellent costumes and it was difficult to recognise some students!
Congratulations to our Year 12 students on completing their final assessments for their secondary education!! 13 years of schooling is coming to a close with your HSC just around the corner, good luck!! Year 12 have their Lachlan Access Program, (LAP) graduation dinner on tonight. This will be the first occasion that as LAP we have put on a formal graduation ceremony. Students will be awarded with first in subjects and merits. It provides an opportunity to bring all of the students together to celebrate their achievements and give thanks for the hard work, effort and dedication from both students and teachers. The night will be held in Condobolin this year.

This Friday I will be off to Sydney for the week with 3 students from Years 9 and 10. The students will be travelling down to Sydney accompanied by students from across LAP and other Department schools being hosted by the University of New South Wales ASPIRE program. It is a fantastic opportunity for our students to get to experience work placements that with out the support of ASPIRE it would prove exceptionally difficult to achieve. Mr Davies will also be attending this trip coming down mid week to replace me.

Preliminary exams start next week. Students have all been given their exam timetable. There are no structured classes for Year 11 over the next two weeks as they complete their yearly examinations. Students are still required to attend school on all days during this period. Good luck ladies, your marks will reflect what you put in!!

The show is just around the corner and with the days warming up I can't wait. This year our RFS Cadets will be putting on a demonstration and taking part in their graduation ceremony at the show from 2.45pm. It would be fantastic to see as much support as we can during this time as it has been a great opportunity for our students to take part. Special thanks again to Steve Holden and David Lee from the RFS Bland Temora Zone for their time in delivering the program. With out the help and assistance of Jo Brew and Jason Lewis who volunteered their time every week, this program would not have been successful. Thank you very much Jason and Jo for your time and dedication.

On this note on Friday the 12th of September we will be running a practice session for all students involved in the Cadets program so please bring your appropriate clothing.

Until next week, enjoy!!
Regards Mr Currey.
Congratulations to those students who received their ten merit card 'Habit of Mind' Certificate at our Book Week Assembly today. A special mention must also go to Vanessa Robb for receiving her twenty merit card 'Habit of Mind' certificate!
