News ...

This week we had the Director, Public Schools NSW, Dr. Brad Russell visit Ungarie Central School. He was full of praise for how we have started 2015. He was also very impressed with the student learning he was shown and how he could clearly see how much pride we have taken in our school. Dr. Russell was also shown our 3 year school plan and gave it his tick of approval!

For some exciting news...

Angus Williams will be off to the NSWCHS Swimming trials after his efforts in Dubbo. Angus will represent the Western CHS team in the 100m butterfly. Outstanding Angus!

Keeping it in the family, Hugh will be off to the NSWPSSA Swimming trials also. He will be competing in the 50m freestyle and breaststroke. Go you good thing!

Congratulations also goes to Ruby Henley who has been selected in the Western PSSA Basketball team after her trial in Bathurst! Good job!

Last, but certainly not least, all 12 of our AFL boys who went into West Wyalong have been named to now travel to Parkes for the final round of selections for the Western PSSA AFL team. The boys won all 3 games and were very impressive!

In other news:

Interviews will occur next week for our Head Teacher position. I can’t wait to get our new staff member on board. I will announce who the successful candidate is as soon as possible.

Harmony Day:

Also, attached to this Humbug is information on Harmony Day which is coming up on March 20. This will be a whole school activity and involve mixed aged groups in an Amazing Race style event. I can’t wait to see it!
Empathy and Listening

For the next two weeks students at Ungarie Central School will be learning about the importance of empathy.

When you use this learning muscle you pay attention to others and you put yourself in other people’s shoes. It is about showing that you are listening by eye contact and body language. When you are using ‘empathy’ you are able to hear feelings and thoughts behind someone’s word.

Empathy encourages students to approach others with more sensitivity, reflect on a range of opinions and be willing to revise their own.

Notes and $50 deposits are due back at school tomorrow. Students must bring these in to secure their position in the recorder group which will travel to Sydney in August.

Lunch Box Tip

If you don’t have time to make sandwiches in the morning, make them on the weekend and freeze for the week ahead. Pop into the lunchbox first thing in the morning and they’ll be thawed by lunchtime. These fillings are perfect for making and freezing in advance:

- Chicken mixed with a little mayonnaise or cream cheese.
- Spreads such as vegemite, honey or jam.
- Cold meats such as ham, roast beef or turkey.
- Mashed or finely chopped egg mixed with a little mayonnaise.
This term has been an exciting and challenging time for the Year 9/10 Design and Technology class.

Our project is to redesign an area of the school to make an outdoor entertainment centre with BBQ and lounge set included! The area picked is between the secondary staffroom and canteen.

Given the client’s request, the students have been independently working on creating computer designed sketches and 3D models based on their redesign ideas.

This project has been made much more interesting with Mr Davies suggesting he may go forward with the best design! Good luck students!

Ungarie Bowling Club

Last Saturday, the Men’s Pennant side played Barmedman, with all three rinks having convincing wins. The total shots were Ungarie 85 to Barmedman 42. Well done gents!

On Sunday, Ungarie was represented in the District Triples at Lake Cargelligo by Graham Cattle, Ben Wallace & Jeff deRozario. The Ungarie boys had a good win in the first round against a West Wyalong Town club team and unfortunately were beaten in the next round by three shots. Again, the boys performed well and played good bowls.

Well done!

Also on Sunday a round of Club Singles was played with John Barron against Squizzy Taylor. From all reports it was a good game, with Squizzy getting the upper hand and making it to the next round.

Men’s Pennants this Saturday is at Temora RSL, leaving the Bowling Club at 12 noon. Check the board for your teams.

Good luck boys!

Please arrange to play your Club Singles and Pairs games ASAP.
