PSSA TENNIS
with Mr Cattle
On Friday 27th of February the tennis team travelled to Toppy school to play in the first round of the PSSA Knockout. Our team consisted of Tom Roscarel, Harry Roscarel, Ruby Henley and Abby Wason. We were quietly confident of a win after beating Toppy last year. The team played some good tennis to dominate the opposition, 8 sets to 0.
It was a great way to start the competition, showing we will be competitive against our next rivals, West Wyalong Public. The players all demonstrated good sportsmanship, and were treated to a free lunch afterwards, which was pretty cool! Well done team!
The next round will be played at West Wyalong courts on March 18.

CLEAN UP AUSTRALIA DAY
Ungarie Central School students and staff did their bit for Clean Up Australia Day last Friday. Secondary students are pictured with their haul (top), and everyone enjoyed a sausage sizzle after all that hard work, particularly Lara Bryant, Rachel Ridley and Ella Burley, pictured above!

Right: Jai Thompson with his stash of blue jelly beans, which he received at Tuesday’s morning assembly, courtesy of the Beyond Blue team who visited the school recently. One of their workshop activities with secondary students was to guess the number of jelly beans in the jar, and Jai was the winner!
