PSSA TENNIS with Mr Cattle

On Monday the school tennis team travelled to West Wyalong to take on West Wyalong Public in the 2nd round of the PSSA knockout. After defeating Toppy in the first round, the players were quietly confident of competing well against the well-credentialed West Wyalong outfit. The singles started with Abby taking on Aimee, the number 1 girl player in Western this year. Abby tried hard but was defeated 6/1. Tom came up against Fletcher, and after a really good set, the score of 6/1 didn't show how close the match was. Harry played against Oscar, with the teacher from West Wyalong commenting how well Harry went. He was beaten, but put up a really good fight. Ruby secured Ungarie's first (and only) win of the day in her singles defeating Summer 6/4.

Both matches of doubles went to West Wyalong, with the final set of the day being the best match of the day. It was tense! Tom and Abby got out to a 4/0 lead, with West Wyalong coming back to 4/4. when it reached 6/6, a tie-breaker was needed to determine the winner of the set. West Wyalong took home the biscuits after a great struggle, finishing 7/5 in the tie-breaker. The players did really well, as West Wyalong won Western last year and have a strong team again. The Ungarie players showed great sportsmanship and didn't drop their heads at all. Well done team!

TVET NEWS:
The Condobolin TAFE’s Automotive Light Vehicle TVET class for high school students featured in the Condobolin Argus newspaper last Wednesday (right). Seventeen Year 10/11 students from Condobolin, Ungarie and Tullibigeal are enrolled in the course, which will run on Wednesdays for the next three terms and counts as a high school subject. Students get to pull engines apart and attempt to repair them, whilst building their vocational skills and having lots of fun!
