News this week...

This week has seen visitors come to our school and lots of staff professional learning. Mrs Roscarel and our Year 10 girls are enjoying their time away in Sydney this week as part of our continuing partnership with the team from ASPIRE. I’m sure the girls will be full of stories upon their return! Mrs James and Miss Imrie have also been continuing their learning in the QuickSmart Program in Wagga Wagga, which has been exceptionally successful in such a short time at UCS & Mrs Parkinson has been in Parkes developing her knowledge and expertise in all things Literacy and Numeracy.

We were fortunate to receive a visit from Matt Duffy from John Deere this week. He spoke to our Year 9/10 students about what skills, abilities and attitudes he is looking for to offer employment in the agricultural industry in the short term and into the future. It’d be a fantastic opportunity and I know the students got a great deal out of the visit!

It was a little dark on Tuesday, with the school having a scheduled power outage. It was great to see teachers and students effectively learn without technology!

This coming Monday afternoon, some of our UCS students will be heading down to the CWA Hall to present their International Project on Italy. I have seen the final products the students have created and they look fantastic! I’m certain the ladies are in for a treat!

Next week is Education Week! We have a whole school assembly on Wednesday. Open classrooms will be from 12:20, we’ll have a free sausage sizzle lunch for all and head into our assembly at 2:00pm. Hope to see you all there!

See you soon!
