News...

Well, they came, they saw, they installed! Ungarie Central School is now fully upgraded, in terms of the technology that both students and staff have access to. Mr Dodhy worked alongside Anthony and his team from Griffith to install all our bits and pieces. We are all very happy with our new set up!

Yesterday, Mr Justin Dunn, Principal of Ariah Park Central School came to UCS for the next session in our Sheep Dog Training. We also need to thank Ag ‘n’ Vet for donating the materials required to complete our sheep yards! They are great for training our pups! Mrs Cooper is a fierce negotiator!

With staff illness and absence, I have had a great time being back in the classroom some more this term. I’ve taught Indonesian, Science, Music and a few Primary lessons too! It is awesome to be at the coal face and get out of the office occasionally! Our kids are a great bunch to be able to teach!

Yesterday, Mrs Roscarel took a team of vertically challenged young men into West Wyalong to compete in the CHS U/15 Basketball tournament. All the boys showed tremendous grit and determination. They had 2 losses and a draw as they took on West Wyalong, Parkes and Forbes. Well done boys! I’m sure they’ll be better for the experience!

This morning, 8 of our students were up with the sparrows to head off to Wagga to participate in the Take Charge Youth Forum at Charles Sturt University. This is an opportunity for them to develop skills and abilities to have a strong voice and take leadership roles within our community. I look forward to hearing feedback about how they found it and what their actions will be as a result.

See you all soon!

Free 1080 Fox Baiting Training

Where: Ungarie Bowling Club
When: Wed 7\textsuperscript{th} October, 2.00pm

Full training only takes about 2 hours, and refreshers 1 Hour

Did you know that by baiting in spring you can dramatically reduce the population of foxes the following autumn? Throughout the Bland Shire area, the fox density is commonly about 3-4 adults per square kilometre. A breeding female will give birth in spring and later wean about 4 cubs. Each autumn the young foxes disperse to find new territory, and can move up to 30kms away from their dens. By reducing numbers now, a lot of lambs can be potentially saved. By doing the free training, you can also receive the first 30 baits and an aerial map of your property for free.

To attend the training workshop, please contact David Kellet from the West Wyalong Local Land Services on 69 701201, or Glenn Neyland – Bland Shire Council on 69 722266 by the 23\textsuperscript{rd} September

**CONGRATULATIONS PREMIERS 2015**

Congratulations Coach Ryan and senior footballers on a great premiership win.
A fantastic game to watch and you all played your best.
Well done boys, you have done our club proud and brought the shield home.
Congratulations Jed Keatly on getting Best on Ground – you had a great game. Well deserved.

**Under 14’s Wrap Up**

A great effort from the Under 14’s last Saturday in the Grand Final against West Wyalong/Girral. Although they were beaten as the West Wyalong advocate stated “The Ungarie Magpies certainly made the Bulldogs work hard for the victory as they turned in perhaps their best performance of the year when it counted.” With great support from the Magpie supporters the boys gave their all and left the supporters with great admiration for their efforts against a bigger team. I’m sure the experience of the build-up & playing in a Grand Final was exciting for all & lets hope we can win a Grand Final very soon.

All the best to Jarod in his recovery from a broken hand & congratulations to Kai Davies on winning the League B/F in the under 14’s & Jack Crofts winning the League B/F in the Under 11’s.

Thanks to Pat & Stephen for umpiring & all those who helped out goal umpiring/timekeeping & scoring.
Thanks also to Vanessa for her efforts in washing all the junior jumpers each week & Michelle Potter for the amazing work she does behind the scenes as only a coach knows how much she does do.

Cheers Mal
